

### **Lemon Bay**

We are located on the IntraCoastal Waterway -- a recognized fishing locale and aquatic preserve within minutes of the Gulf of Mexico. We have over 300' of **bay front shoreline**, just steps outside your door.

### **Accommodations**

Our accommodations are perfect for gatherings of groups such as fishing clubs and family reunions as well as intimate getaways. The beauty of our surroundings and the comfortable, well furnished units are very inviting. You can choose between your choice of efficiencies, one, two and three bedroom homes. All units are fully furnished including complete kitchen facilities.

### **Boat Slips**

Each unit includes a secure, seawall protected boatslip. There is one slip available for a larger boat. The fishing is great... even from our dock, and we have a filet table right there so that you can prepare your catch.
